THE INSIGNIA FOR THE MIGHTY MORPHIN POWER RANGERS!

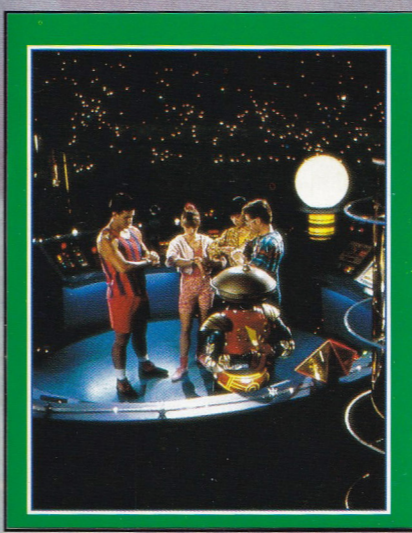

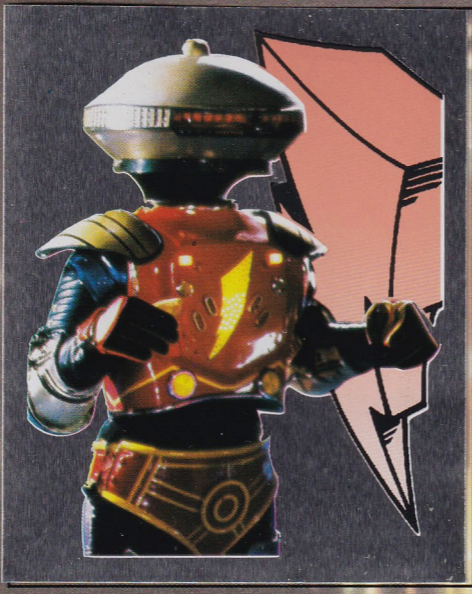

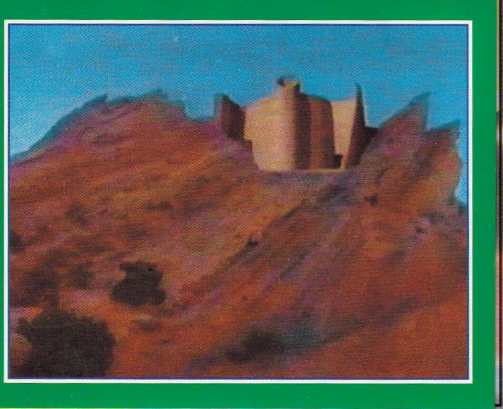

Zordon ordered Alpha 5 to teleport five teenagers with an attitude to the Command Center. They would be the only people who could battle with the evil Rita Repulsa! Alpha 5 chose Zack, Trini, Jason, Kimberly and Billy.

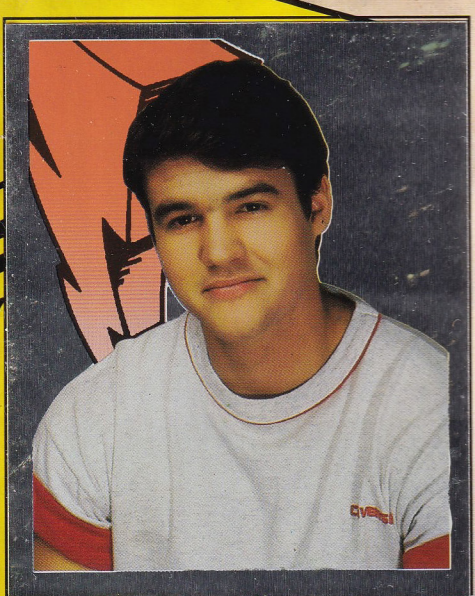

Zordon gave each of the teens a power coin and a morpher. Calling upon the powers of the ancient dinosaurs, they "morph" into THE MIGHTY MORPHIN POWER RANGERS! Kimberly is the Pink Ranger, Billy is the Blue Ranger, Jason is the Red Ranger, Zack is the Black Ranger and Trini is the Yellow Ranger.

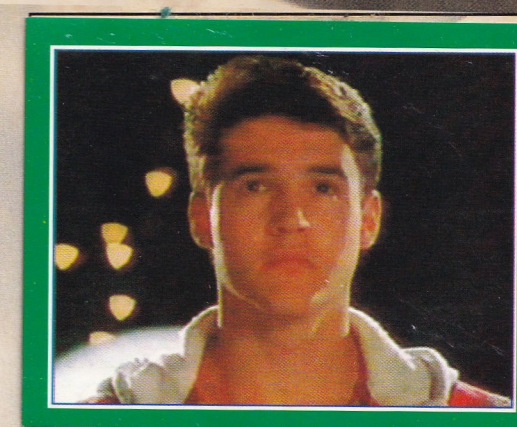

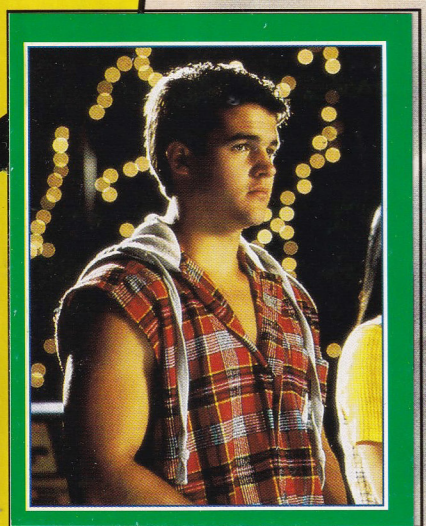

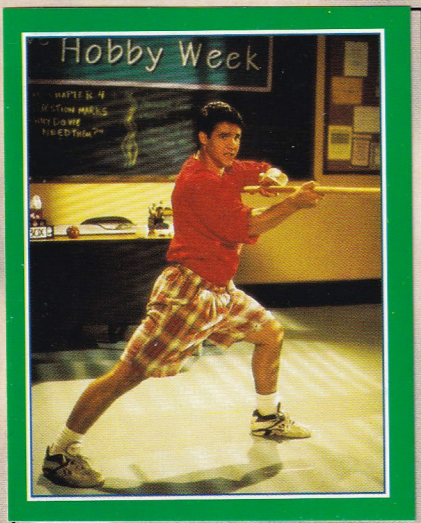

**WELCOME TO ZORDON'S SECRET
COMMAND CENTER!**

This is where Zordon and Alpha 5, Zordon's robotic helper, communicate with the Power Rangers. The Viewing Globe is located in the Command Center. The Globe is used to show the Power Teens what the evil Rita Repulsa is up to.

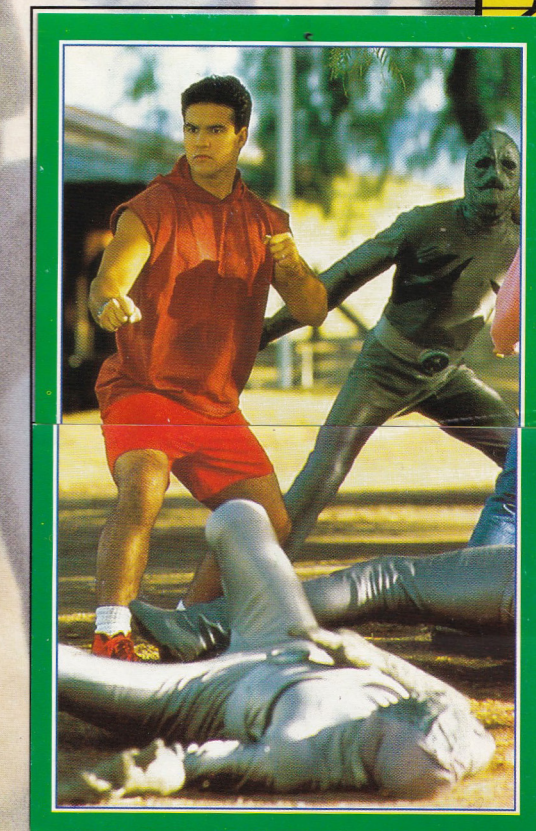

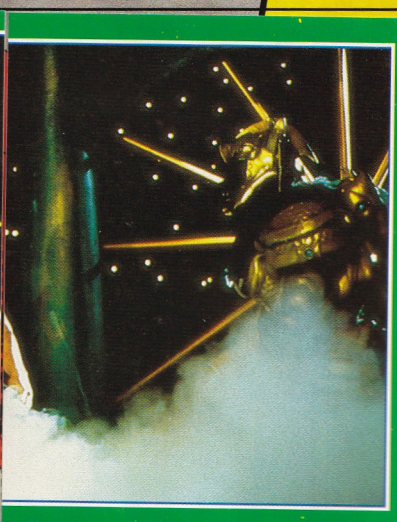

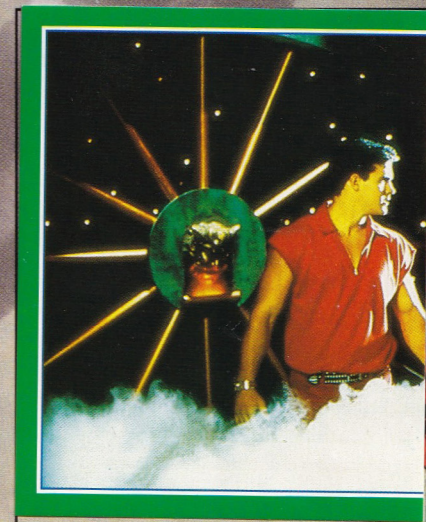

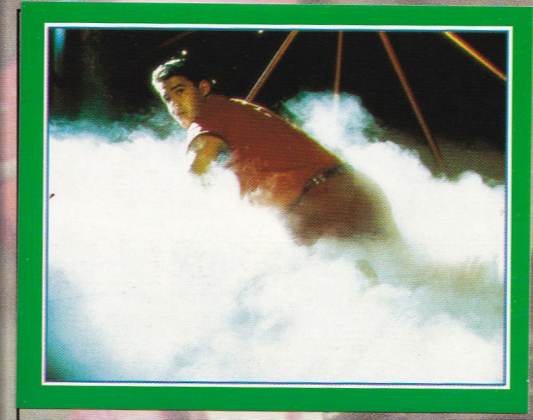

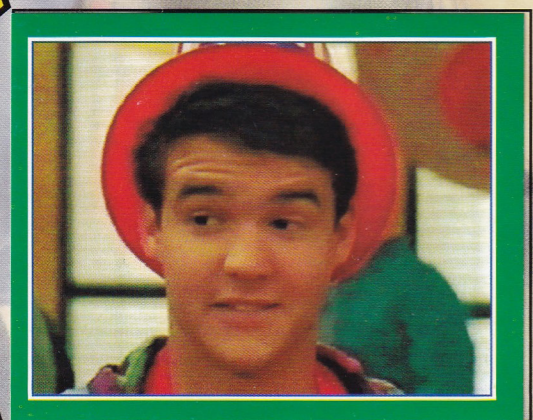

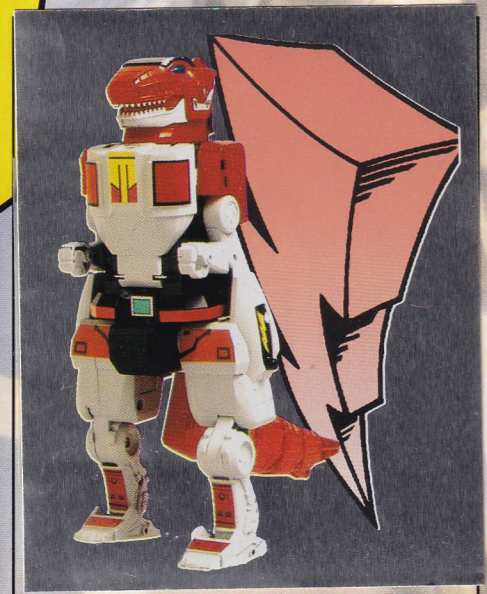

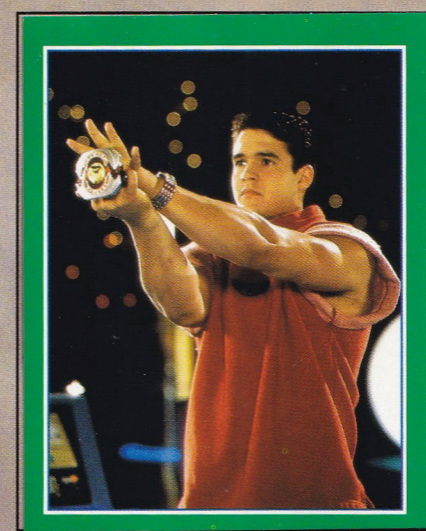

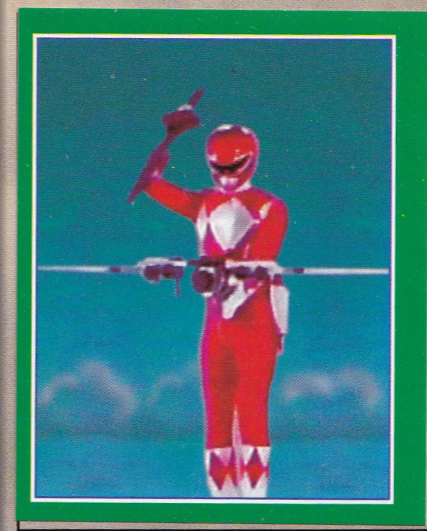

JASON

MEET JASON, THE RED RANGER! LEADER OF THE MIGHTY MORPHIN POWER RANGERS.

He's a seventeen year old black belt in Karate and the leader of the team. He is serious about his martial arts and spends much of his time working out new moves and perfecting old ones.

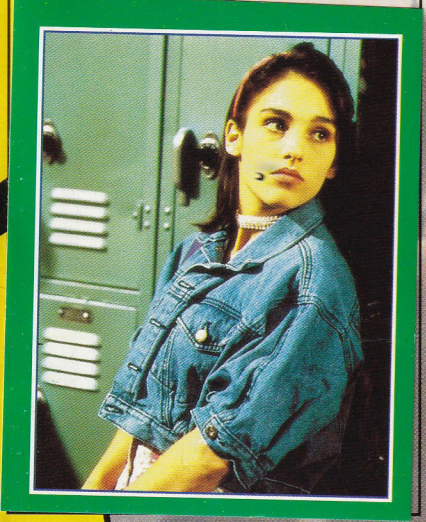

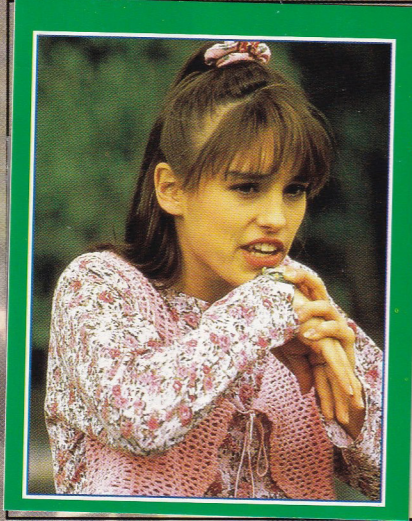

**MEET JASON, THE RED RANGER!
LEADER OF THE MIGHTY MORPHIN
POWER RANGERS.**

Jason, the Red Ranger, is always ready to do battle with Rita Repulsa and her monsters. He likes doing his part in the Angel Grove High's cultural food faire when he's not getting ready to do battle.

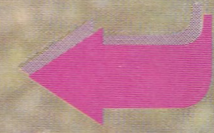

KIMBERLY

KIMBERLY

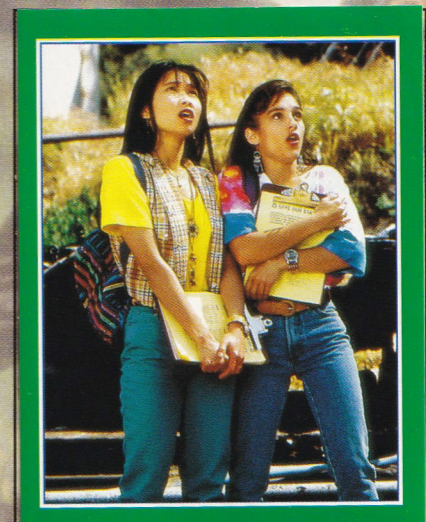

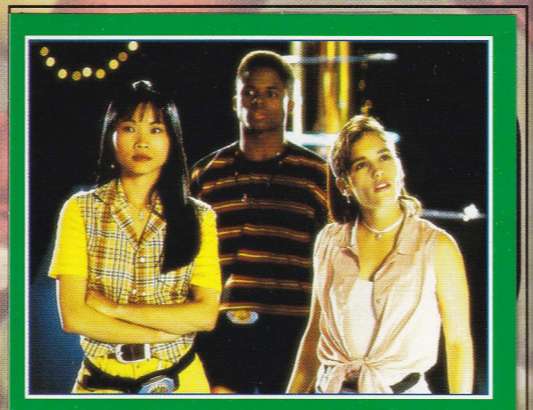

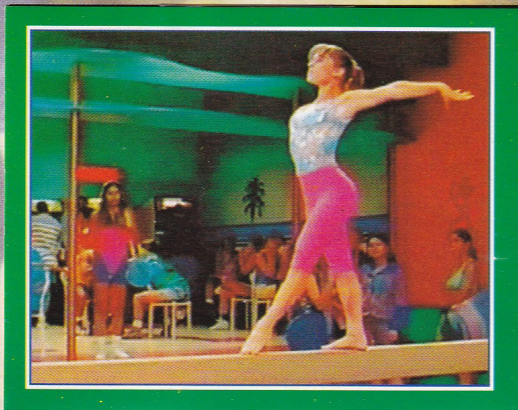

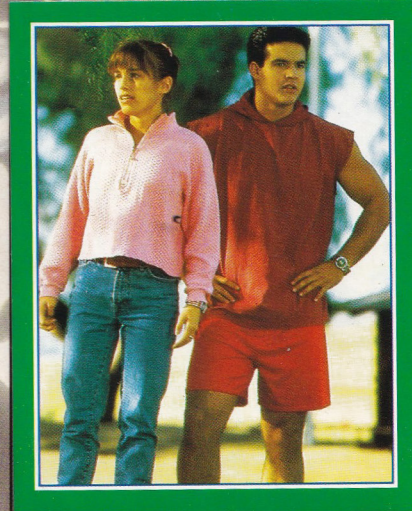

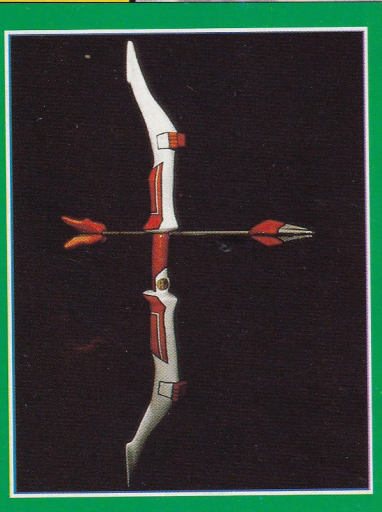

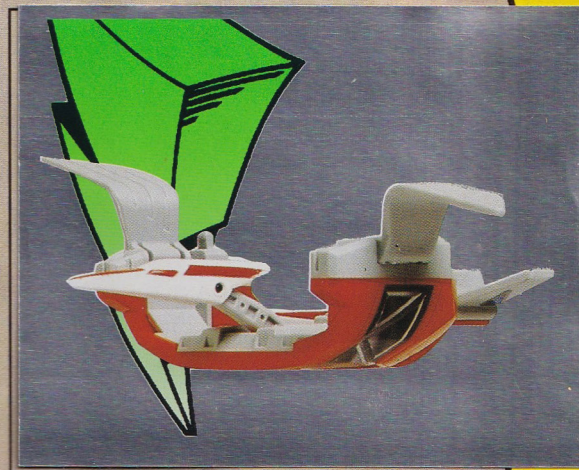

MEET KIMBERLY, THE PINK RANGER!

She's a bright, pretty girl who happens to be the city champion gymnast. At school she is popular, and loves to play the part of the debutante, but deep down she is strong and independent, and longs for adventure. One of her favorite hobbies – outside of gymnastics – is shopping at the malls!

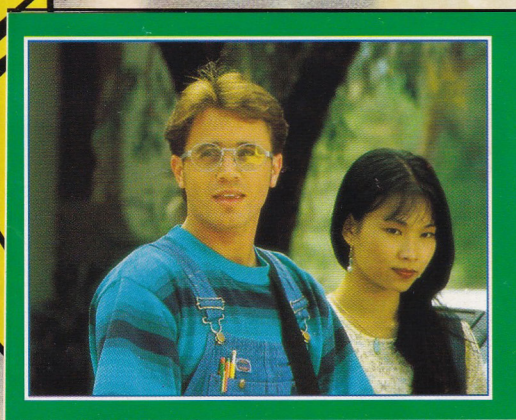

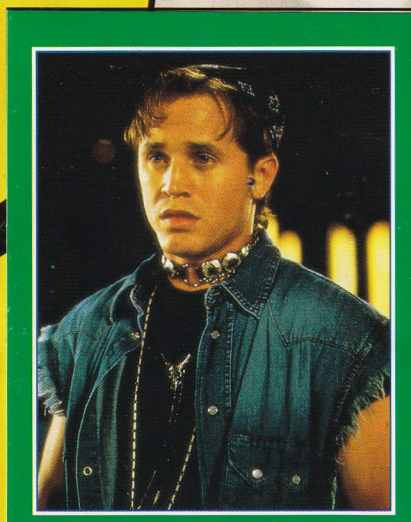

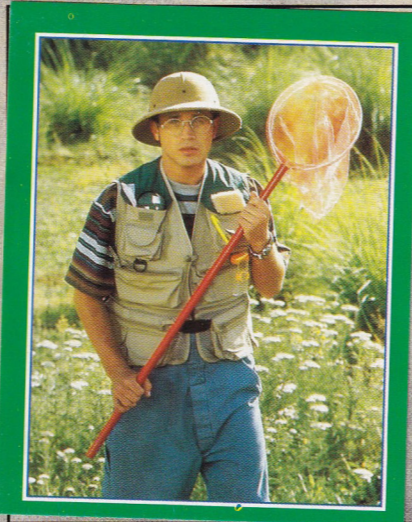

KIMBERLY'S BEST FRIEND IS TRINI.

Kimberly is always on the go. She is a fantastic gymnast as well as being dedicated to the environment. Kimberly and Trini collected petitions to get the local dumpsite to shut down due to excessive pollution. That's when they found out that it was Rita's doing from the start!

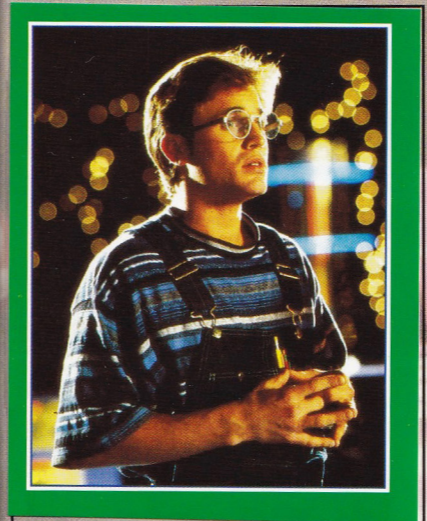

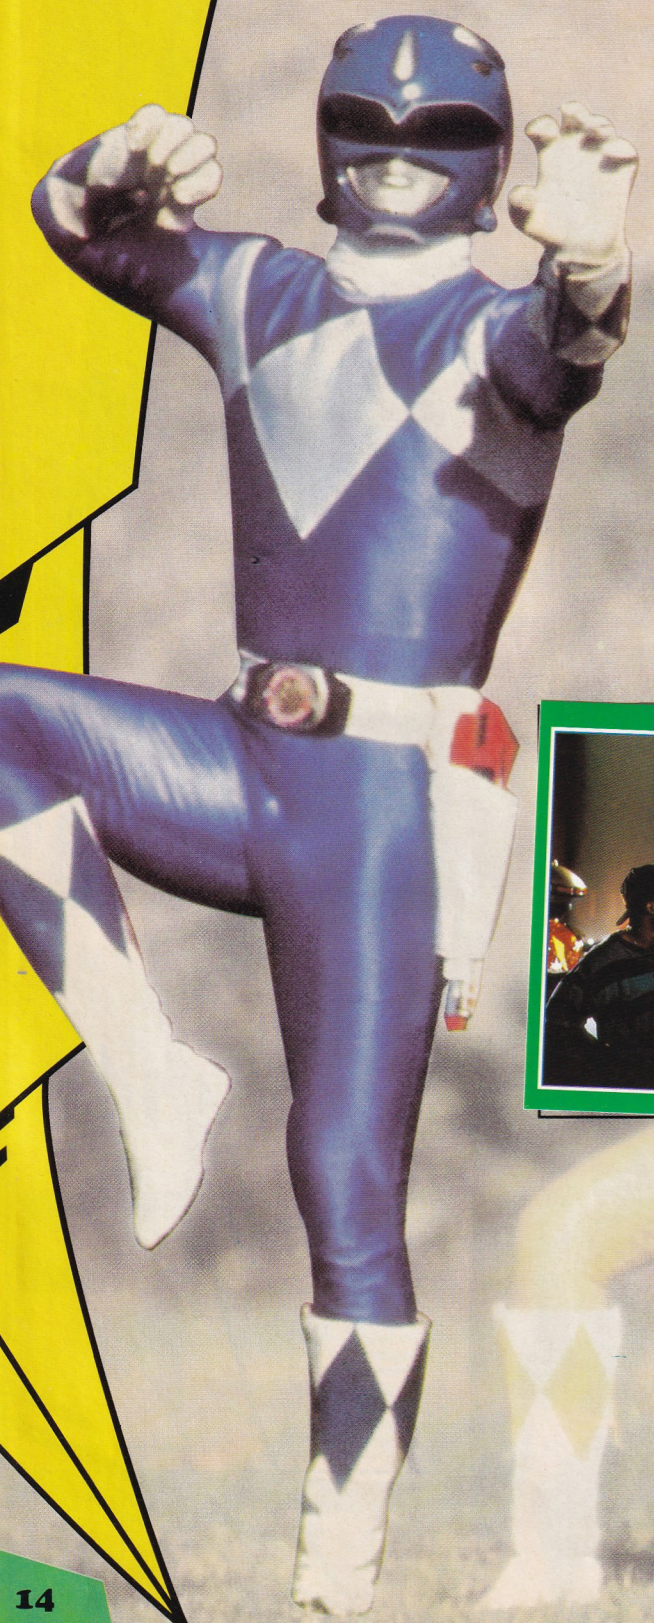

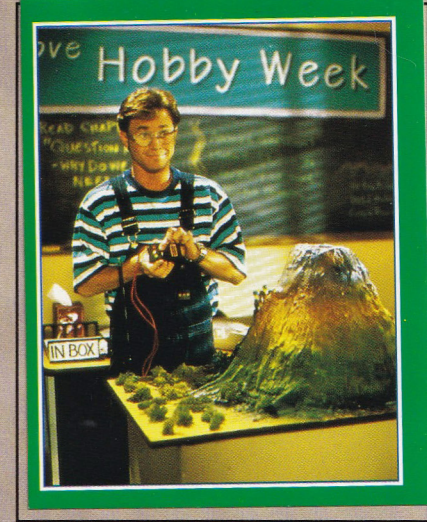

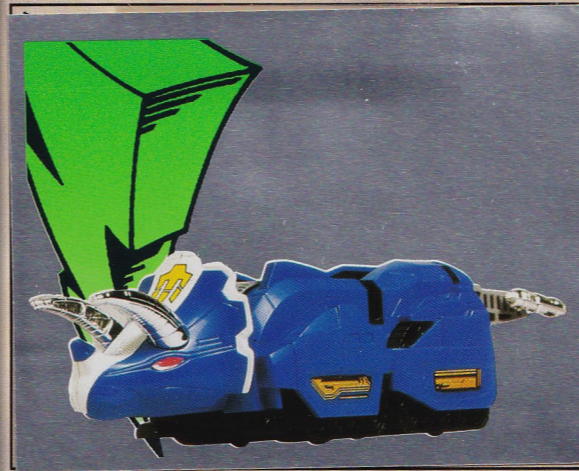

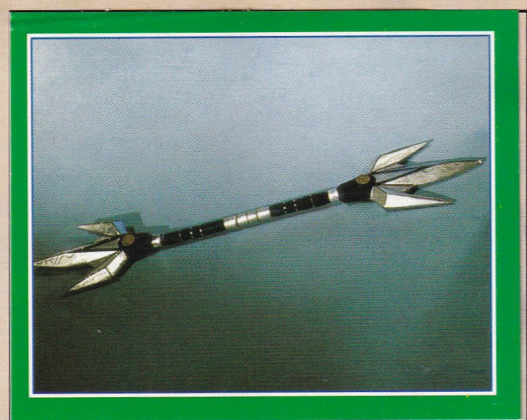

BILLY

MEET BILLY, THE BLUE RANGER!

He is an ultra intelligent kid who has trouble communicating with lesser evolved beings. Sometimes considered a bit of a nerd, he is really a good hearted super genius. He talks in techno-speak...a complicated language only Trini seems to understand. He usually tries to outwit his opponents rather than use physical force.

MEET BILLY, THE BLUE RANGER!

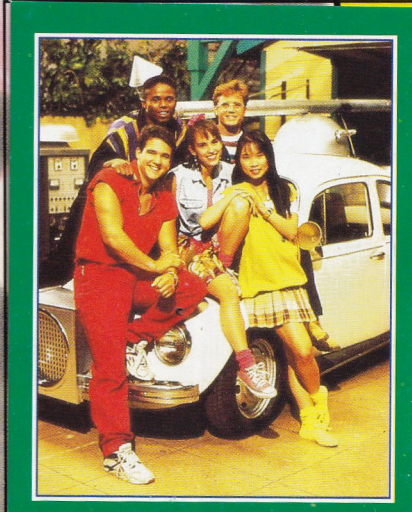

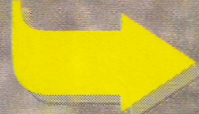

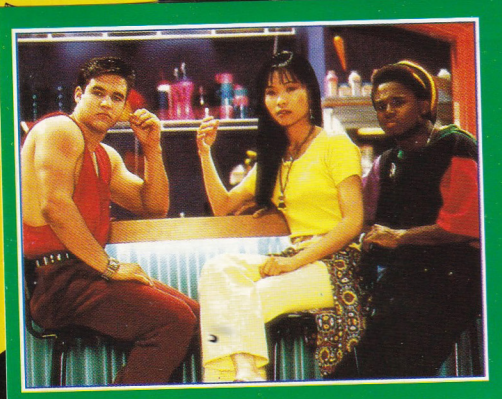

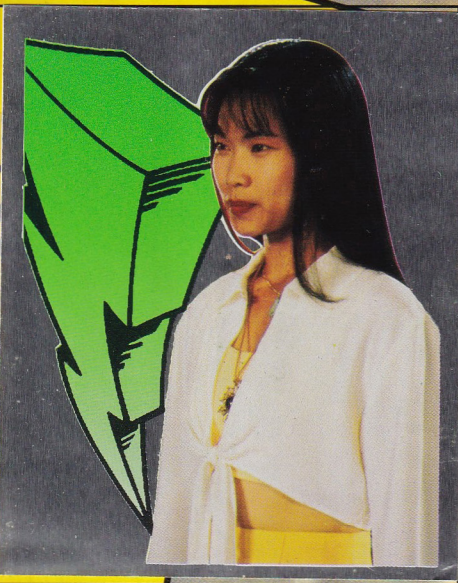

Billy, the Blue Ranger, is always ready to take off in his vehicle, the Tricerazord, with his special Power Lance. Billy is ready to battle Rita's evil monsters.

A pet lover, Billy and Trini especially enjoyed the adopt-a-pet day.

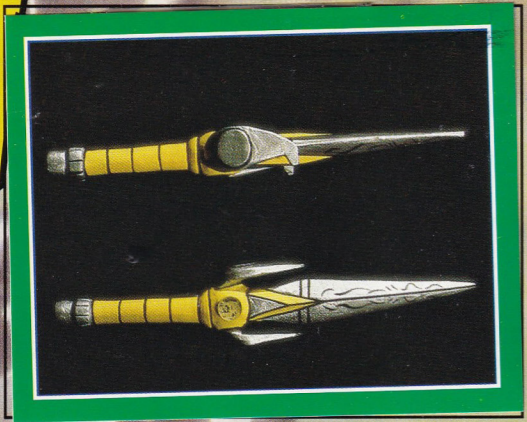

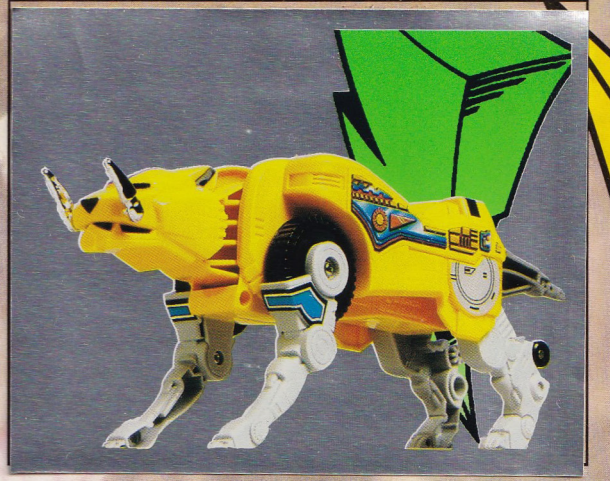

TRINI

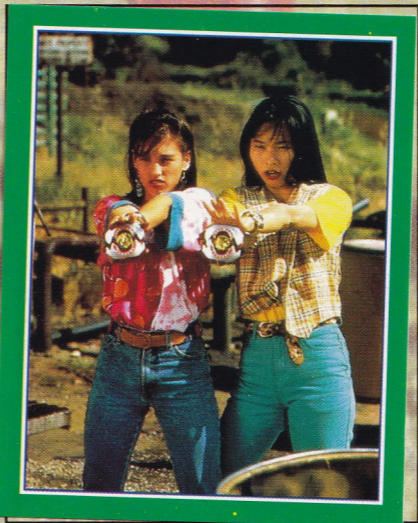

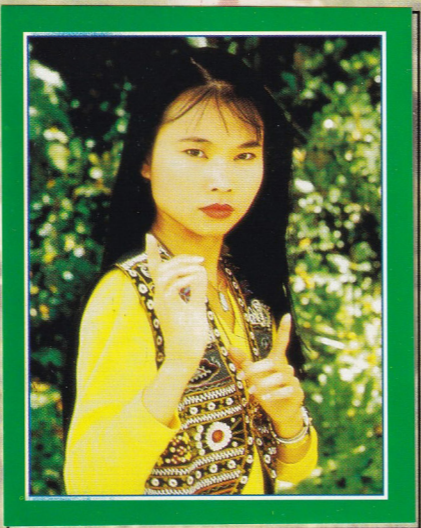

MEET TRINI, THE YELLOW RANGER!

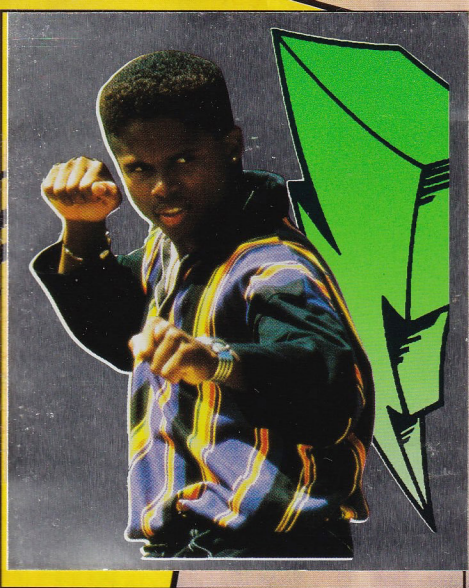

She has lightning hands and a peaceful soul. Trini is a devoted martial artist who is into the spirit as well as the physicalness of her karate. She is slow to anger but will, if pushed to the wall, neutralize any opponent with a minimum of effort. She is the only person who truly understands Billy.

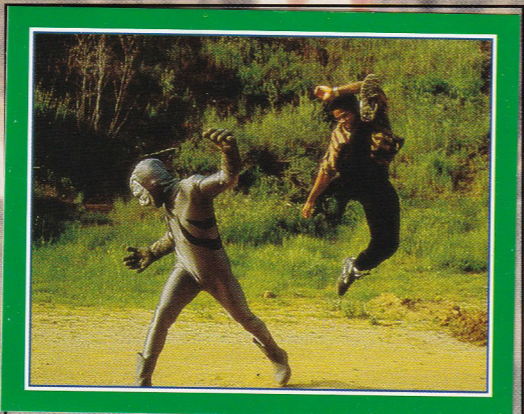

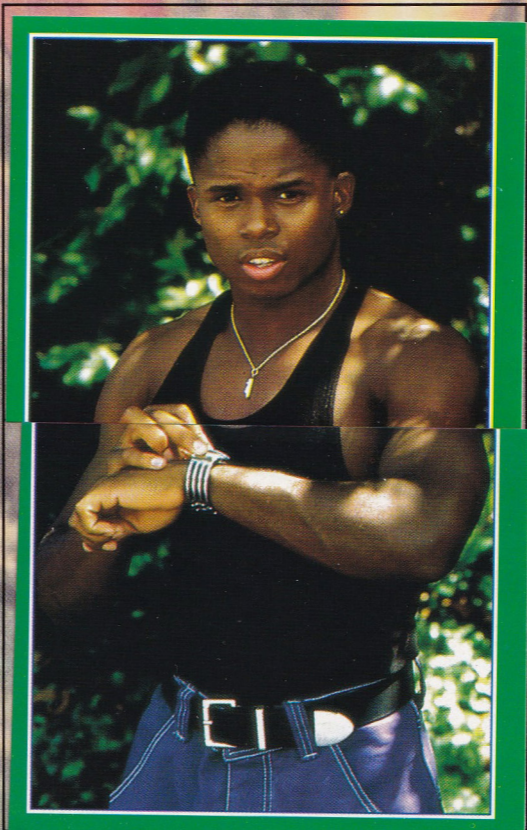

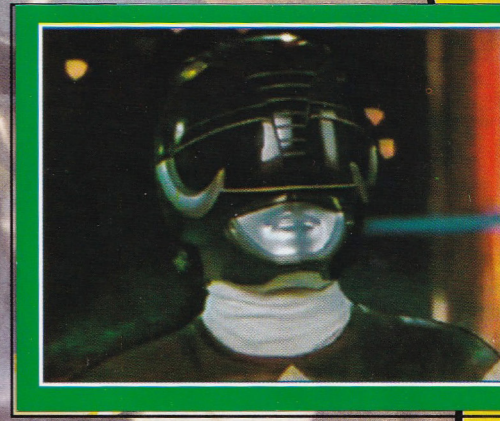

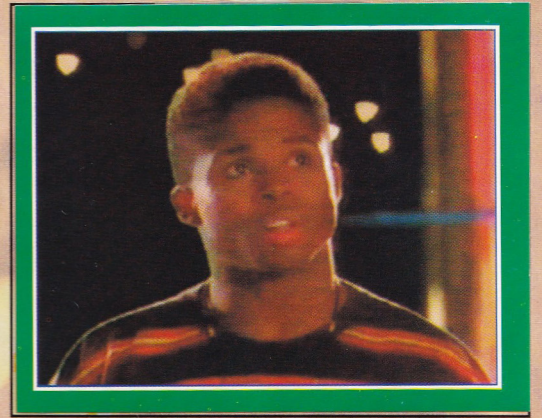

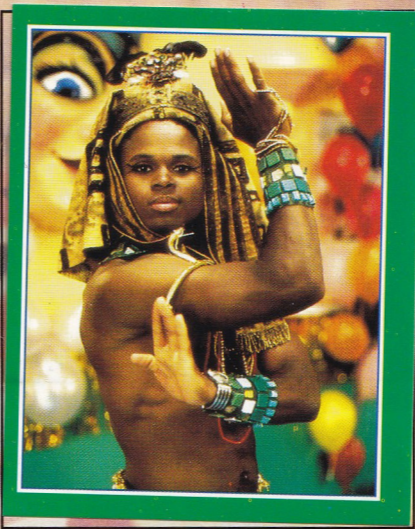

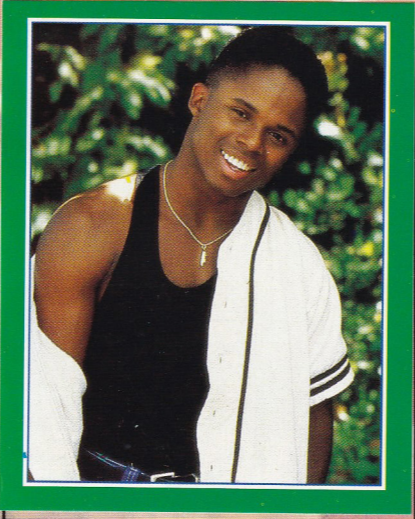

Rita Repulsa's putty patrollers never know what to expect when they come up against Trini. Her awesome karate ability can defeat any putty patroller while her special weapon, the Power Dagger, is ready to help her.

ZACH

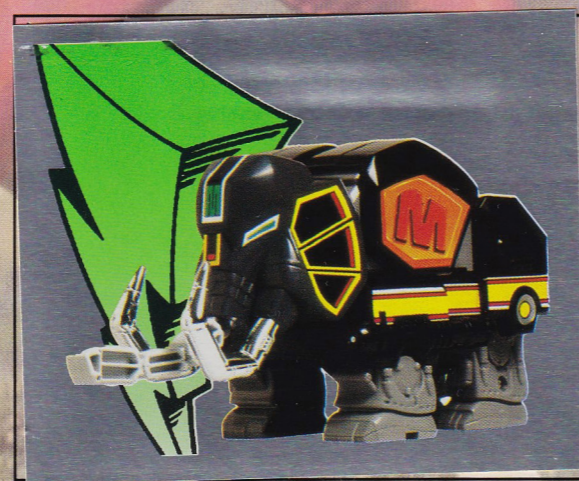

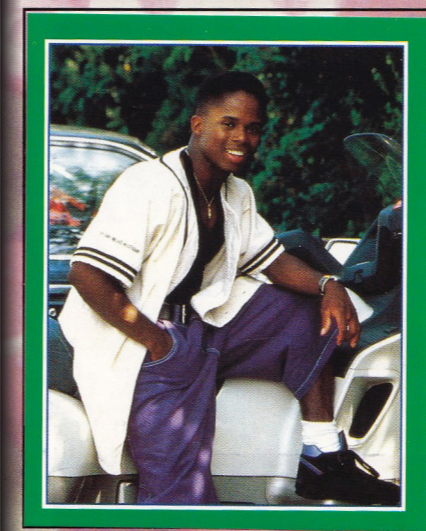

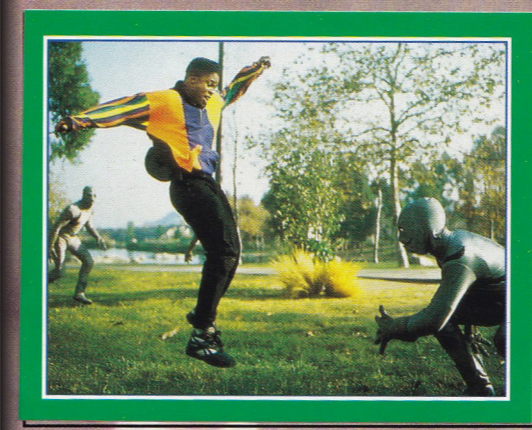

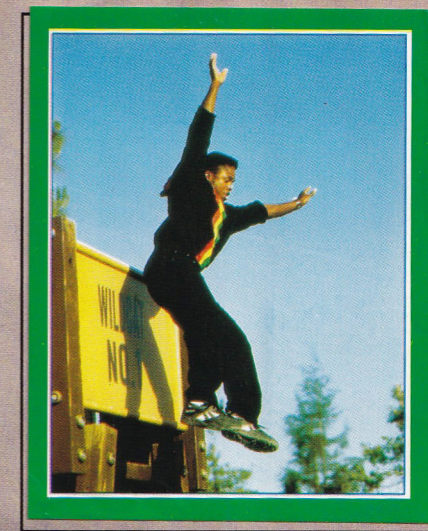

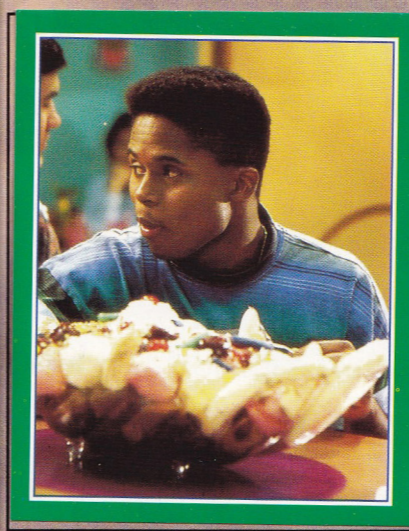

MEET ZACK, THE BLACK RANGER!

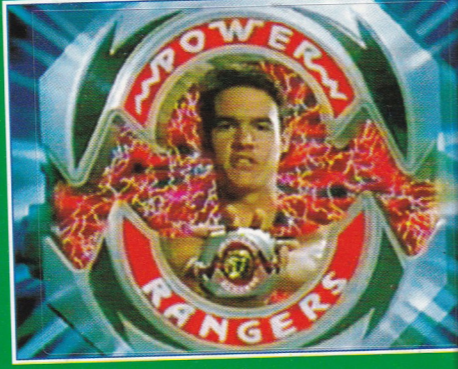

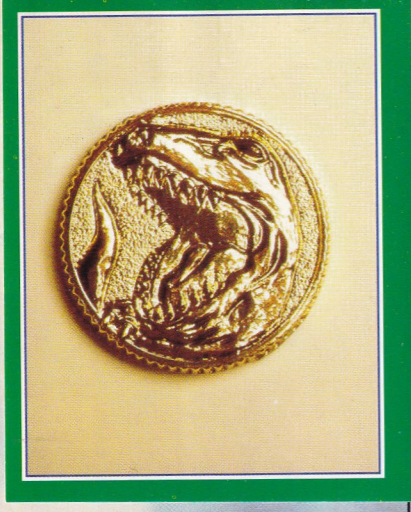

Zack is a kid in love with life. He is everybody's friend and lights up a room when he enters it. He has a good heart and boundless energy. Zack's passion in life is music and dance. He's also an accomplished gymnast. He combines these skills into a dancing and martial arts form he calls the hip hop kiddo. Though his courage is unarguable, he will often act as the voice of caution when a situation is unclear, or overly dangerous.

MEET ZACK, THE BLACK RANGER!

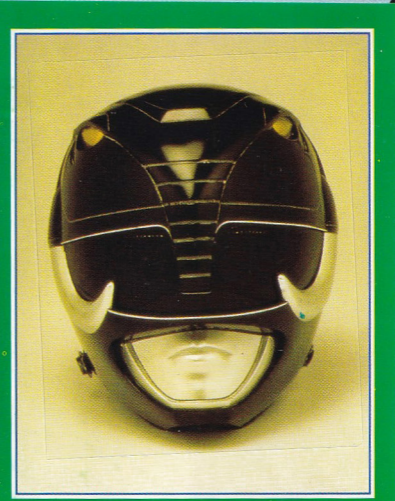

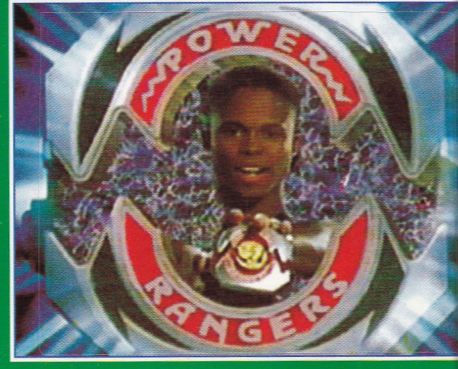

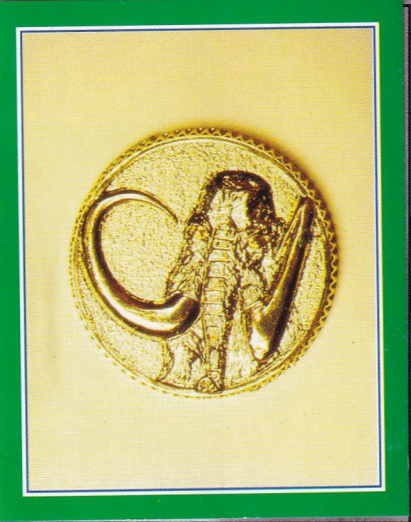

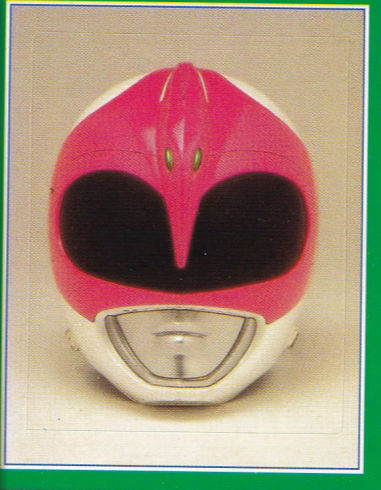

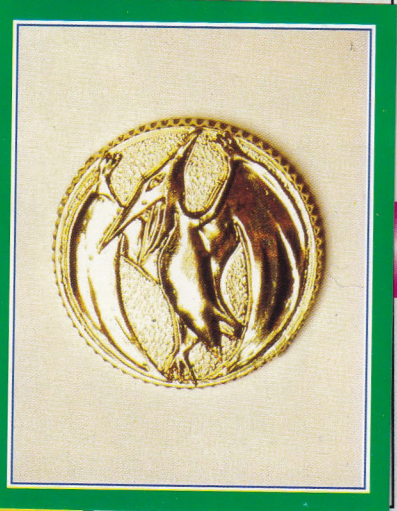

The Black Ranger draws his power from the Mastodon. His special Power Ranger vehicle is the Mastozord.

Zack is a super gymnast and can dodge a putty with a simple hip hop kiddo.

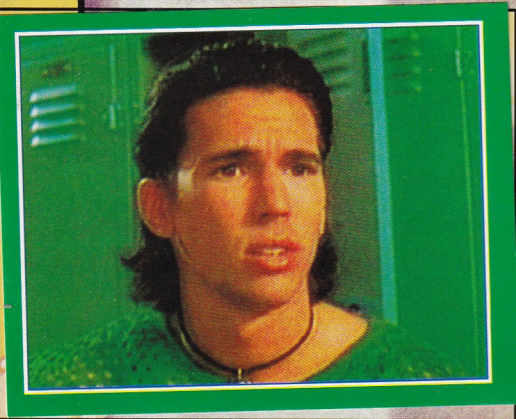

Here are the Rangers' Power Coins. Each one of the Rangers has his or her own very special Power Coin picturing the special animal that they relate to. Jason says, "Tyrannosaurs!" Kimberly says, "Pterodactyl!" Billy says, "Triceratops!" Trini says, "Saber-toothed Tiger!" Zack says, "Mastodon!"

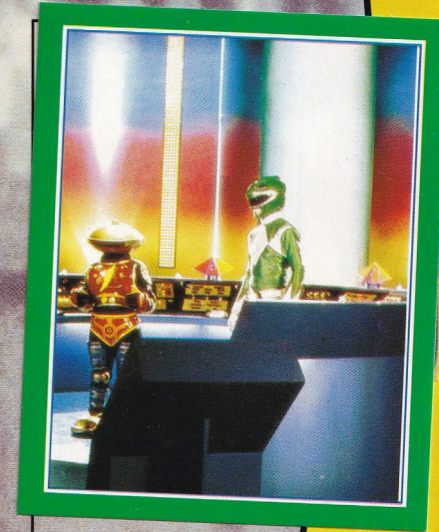

Here are the special Mighty Morphin Power Ranger helmets that protect each of the Rangers. The helmets also help the Rangers communicate between each other.

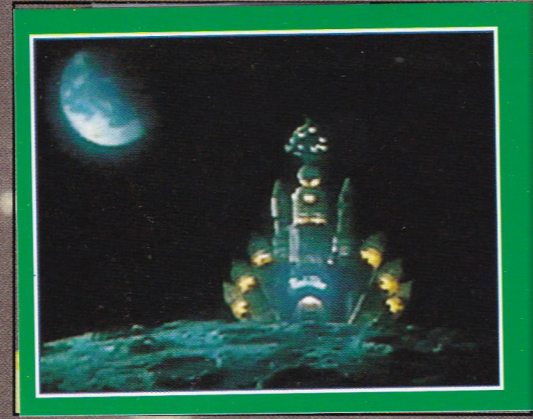

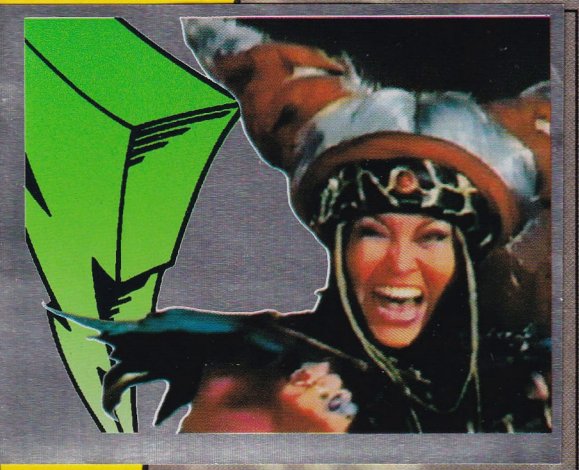

HERE IS TOMMY, THE GREEN RANGER.

The Green Ranger fell under Rita's evil spell, a spell strong enough to make him fight with Jason!

RITA REPULSA...

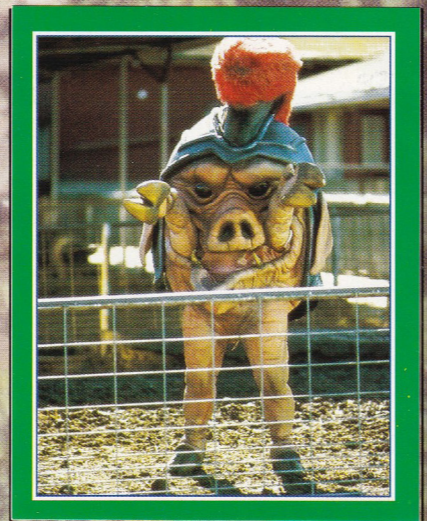

Rita Repulsa and her loyal henchmen were once held for ten thousand years in a garbage dumpster. They now live in Rita's palace on the moon.

Known through the ages as the Empress of Evil, Rita plans to eliminate the Mighty Morphin Power Rangers and take over the world!

Rita always watches what is happening on earth through her special repulsascope.

...AND THE MONSTERS

Among Rita's loyal henchmen are Squatt, a strange-looking being. He is half warthog, half blueberry and has a brain the size of a peach. Rita's gross gobbler is named Pudgy Pig.

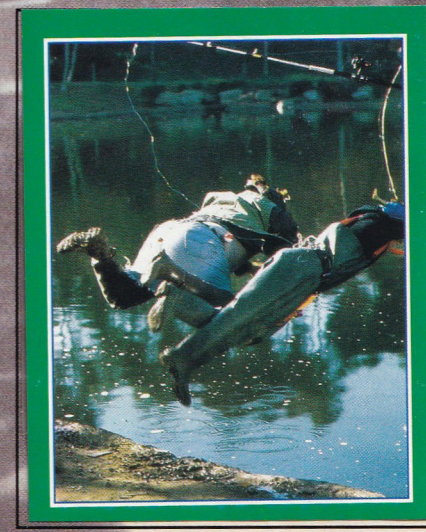

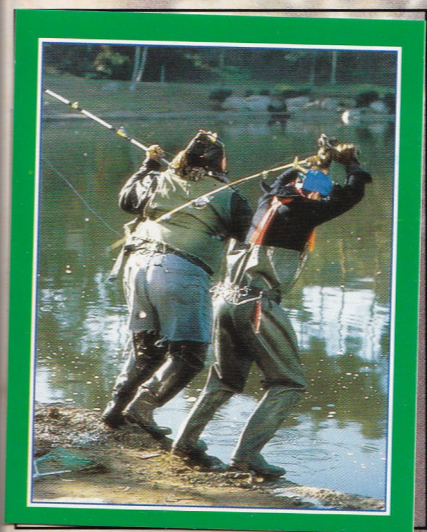

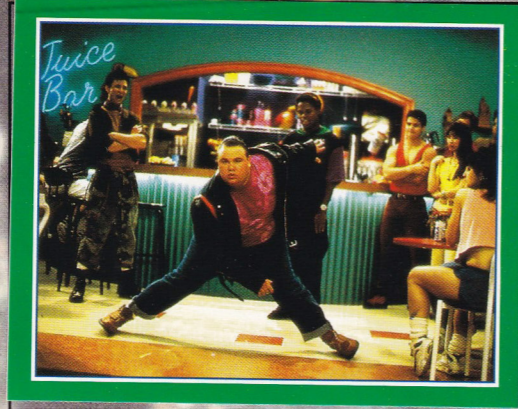

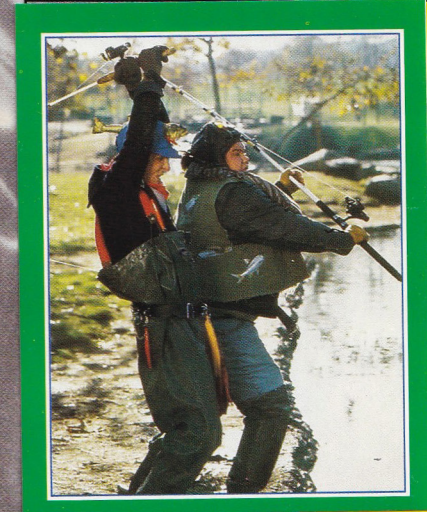

Finster, aside from Goldar, is the only part of Rita's crew with a brain. He comes from a distant planet called Playdoious and is skilled at creating disposable monsters out of clay. Goldar is the winged warrior and Rita's personal body-guard.

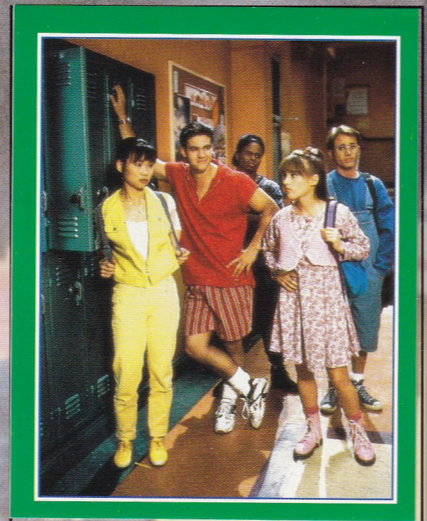

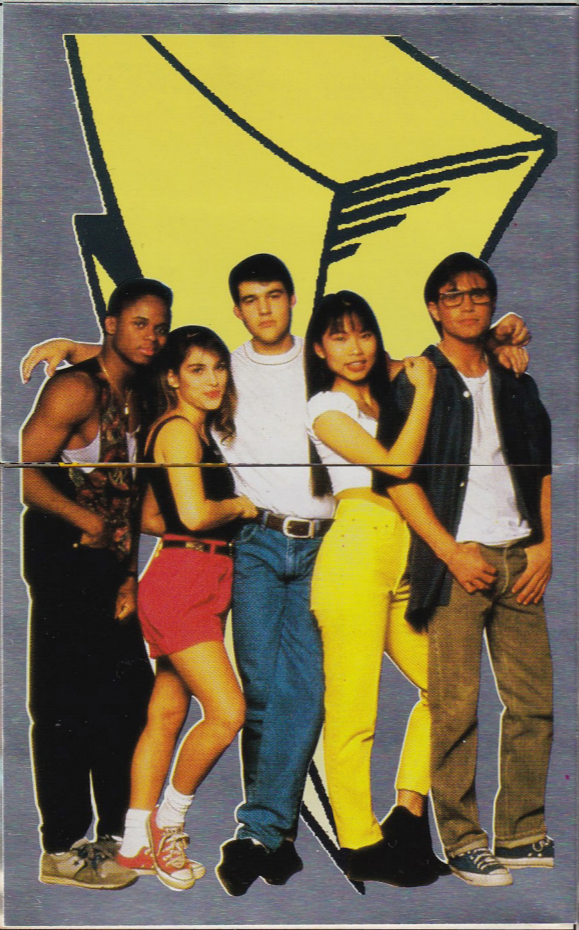

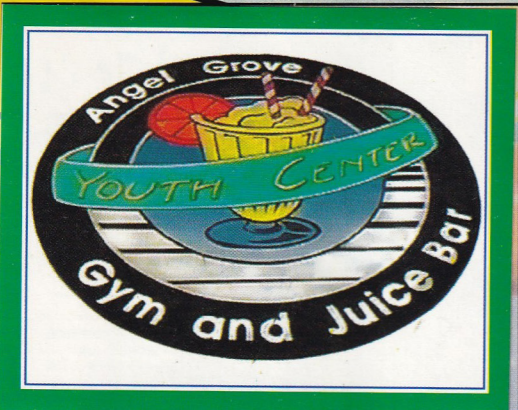

BULK & SKULL

Bulk and Skull are the "wannabe" bad guys at Angel Grove High. They like leather jackets, acting tough, and anything that makes loud noises. Bulk picks on anyone smaller than himself, but usually his hi-jinx backfire on him.

Skull was the one responsible for tossing the first pie in the famous "Food Fight!"

The "Bulkster" and Skull just can't be superheroes, try as they may.

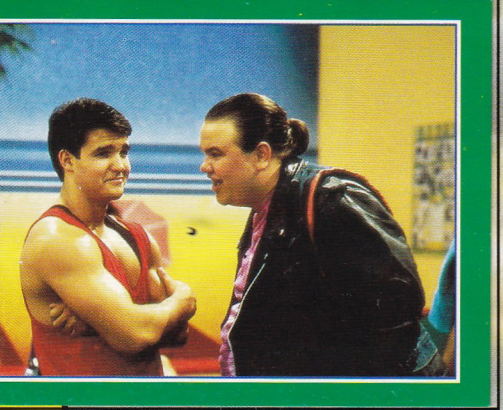

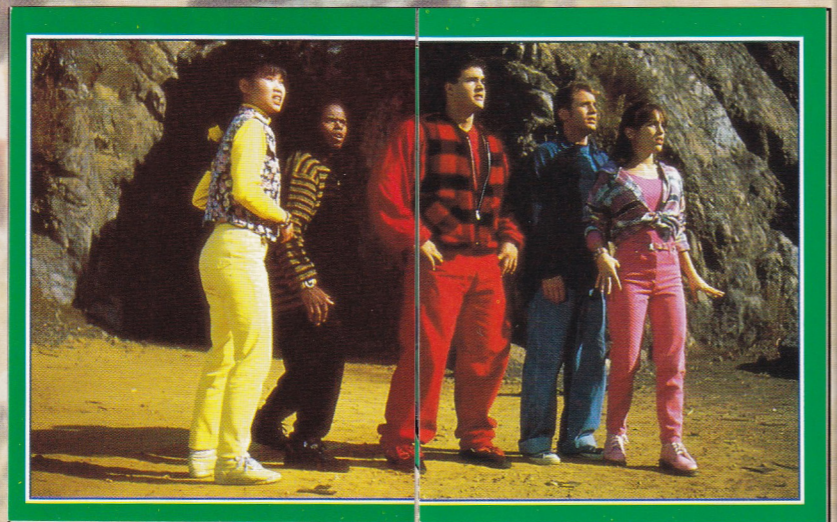

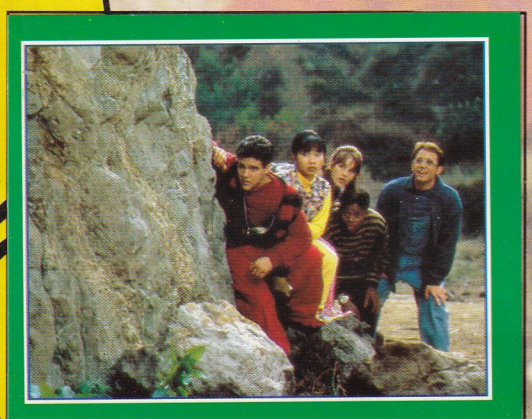

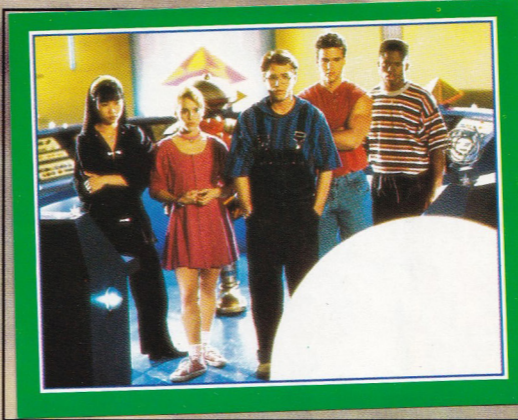

Welcome to Angel Grove's Youth Center. This is the place the Power Teens hang out after school. The chances are good that you'll get to see Zack, Kimberly, Jason, Trini and Billy at the Youth Center. They all met at the Youth Center juice bar to congratulate Billy on making the young scientist's club.

The masquerade ball in the Youth Center was attended by all five of the Power Teens. It was a special event with some exciting moments!

SO MUCH HAPPENS IN THE DAY OF A POWER RANGER!

From watching a sports match to seeing Bulk wind up with a lobster stuck to his nose, the Power Teens enjoy every moment. But, its not the same for Bulk and Skull. Mr. Caplan often informs them of detention!

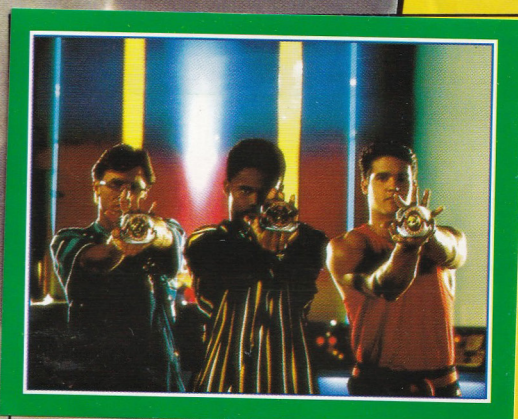

HERE ARE THE POWER TEENS IN THE COMMAND CENTER, WATCHING A SCENE UNFOLD ON THE VIEWING GLOBE.

Zack and Billy discuss a plan of action with Trini and Kimberly while Jason checks the function of his communicator.

Billy, Zack and Jason now prepare to morph into Mighty Morphin Power Rangers!

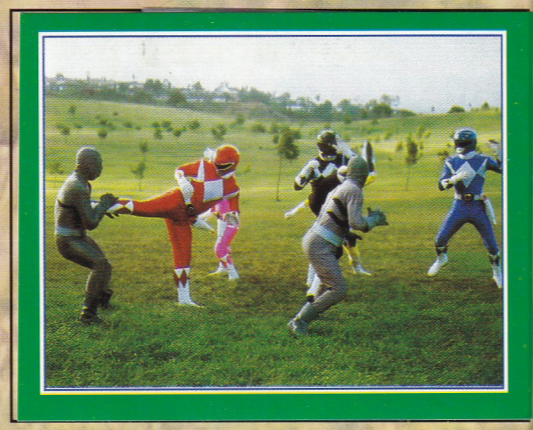

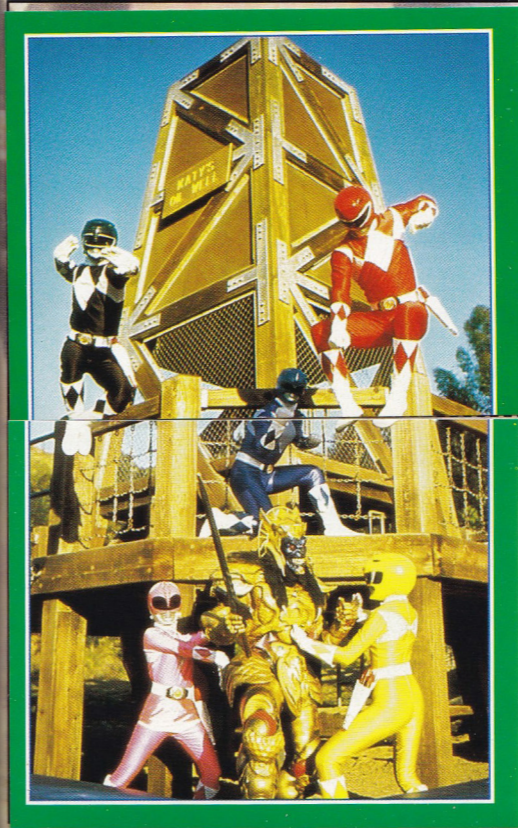

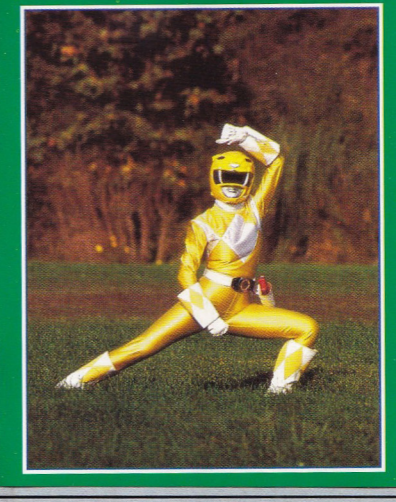

PREPARE FOR BATTLE!

The Mighty Morphin Power Rangers line up in power formation, ready for Rita Repulsa's putty patrol attack.

Rita's evil Ticklesneezer prepares to put a spell on the innocent students of Angel Grove High. Playing his hunting tune, the Ticklesneezer makes dazed school girls follow him obediently.

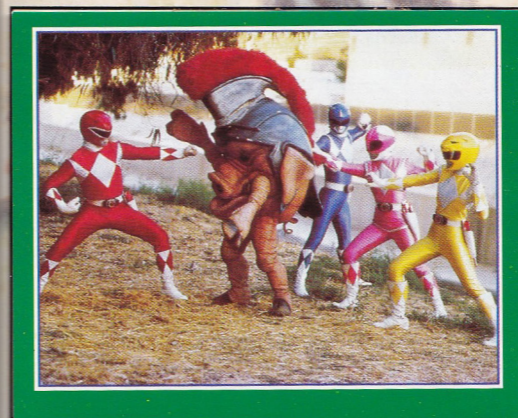

HERE WE GO AGAIN!

Rita Repulsa's monsters are on the prowl. Bulk and Skull get frightened by Frankenstein! Rita's Pudgy Pig monster is there with a distant relative!

Its a monster reunion, ready to attack the earth. Squatt is there, too.

**THE MIGHTY MORPHIN
POWER RANGERS FACE
ANOTHER EVIL OPPONENT.**

Squatt and Baboo are here with Rita's evil monster, the Shell Shock Turtle. The Power Rangers are ready to meet the latest challenge of Rita Repulsa, even with Eye Guy, Shell Shock Turtle and Pudgy Pig charging into battle.

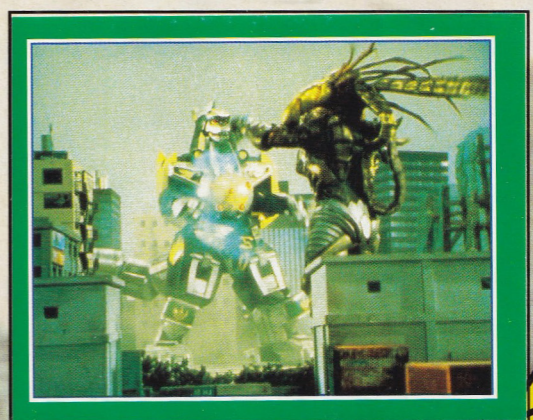

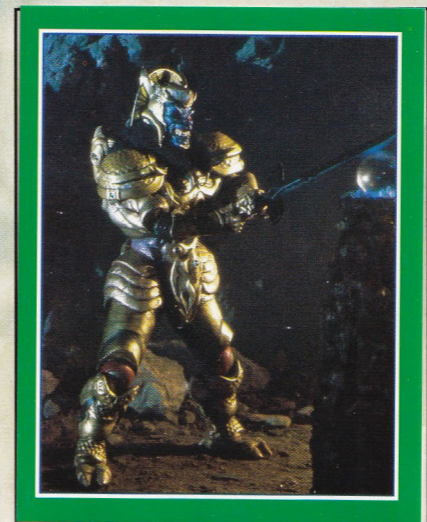

**THE MIGHTY MORPHIN
POWER RANGERS!**

DEFENDERS OF THE EARTH!

The Power Rangers are triumphant once again.

The Mighty Megazord is an important part of the Power Ranger World. Surrounded by the Blue, Yellow, Pink and Black Rangers, the Red Ranger takes control in the cockpit of the Megazord!

RITA'S AT IT AGAIN!

Megazord and Dragonzord have turned against one another, due to Rita's evil spell. Megazord, with his Mighty Power Sword, is ready to finish the battle.

Alpha 5 and the Mighty Morphin Power Rangers, including the Green Ranger, listen to Zordon's advice.

These stickers also appear elsewhere in the album.
